

IN THE CLAIMS

1. (Previously Presented) A topical composition for treatment of skin conditions comprising sulfur, selenium sulfide, and a carrier vehicle wherein a weight percent of the sulfur in the topical composition is at least equal to or greater than a weight percent of the carrier vehicle.
2. (Previously Presented) The topical composition of Claim 1 further comprising ketoconazole.
3. (Previously Presented) The topical composition of Claim 2 further comprising pyrithione zinc.
4. (Previously Presented) A topical composition for treatment of skin conditions comprising, sulfur, ketoconazole, and a carrier vehicle, wherein a weight percent of the sulfur in the topical composition is at least equal to or greater than a weight percent of the carrier vehicle.
5. (Previously Presented) The topical composition of Claim 4 further comprising pyrithione zinc.
6. (Previously Presented) A topical composition for treatment of skin conditions comprising, sulfur, pyrithione zinc, and a carrier vehicle, wherein a weight percent of the sulfur in the topical composition is at least equal to or greater than a weight percent of the carrier vehicle.
7. (Previously Presented) The topical composition of Claim 6 further comprising selenium sulfide.
8. (Previously Presented) The topical composition of Claim 3 wherein the composition comprises between substantially 1% and substantially 2.5% by weight of selenium sulfide, between substantially 1% and substantially 2.5% by weight of ketoconazole, and

between substantially 1% and substantially 2.5% by weight of pyrithione zinc.

9. (Previously Presented) The topical composition of Claim 1, wherein the sulfur is sublimed sulfur.

10. (Previously Presented) The topical composition of Claim 1, wherein the carrier vehicle is VASELINE®.

11. (Previously Presented) The topical composition of Claim 1, wherein the carrier vehicle is petroleum jelly.

12. (Previously Presented) The topical composition of Claim 1, wherein the carrier vehicle is lard.

13. (Previously Presented) The topical composition of Claim 1, wherein the carrier vehicle is a lotion.

14. (Previously Presented) The topical composition of Claim 1, wherein the composition is a cream.

15. (Previously Presented) The topical composition of Claim 1, wherein the composition is an ointment.

16. (Previously Presented) The topical composition of Claim 1, wherein the composition is a powder.

17. (Previously Presented) The topical composition of Claim 1, wherein the composition is a gel.

18. (Previously Presented) The topical composition of Claim 1, wherein the composition is a paste.

19. (Previously Presented) The topical composition of Claim 1, wherein the composition comprises at least about fifty percent by weight sulfur.

20. (Previously Presented) The topical composition of Claim 1, wherein the composition comprises at least about sixty percent by weight sulfur.

21. (Previously Presented) The topical composition of Claim 1, wherein the composition comprises at least about seventy percent by weight sulfur.

22. (Previously Presented) The topical composition of Claim 1, wherein the composition comprises at least about eighty percent by weight sulfur.

23. (Previously Presented) The topical composition of Claim 1, wherein the composition comprises at least ninety percent by weight sulfur.

24. (Previously Presented) The topical composition of Claim 1, wherein the composition comprises about 50-100 percent by weight sulfur.

25. (Previously Presented) The topical composition of Claim 1, wherein the composition is non-aqueous.

26 - 34. (Cancelled)
